

Tomorrow Energy Corp

MARYLAND RESIDENTIAL & SMALL COMMERCIAL NATURAL GAS SALES AGREEMENT AND TERMS OF SERVICE

The following is your Terms of Service Agreement (together with the Contract Summary, the "Agreement") with Tomorrow Energy for the purchase of energy service.

Tomorrow Energy agrees to sell and Customer agrees to buy the quantity of natural gas delivered to you, as measured or estimated by your Local Distribution Utility (LDU). Tomorrow Energy is a Gas Supplier (GS) and will supply energy for your residence or business address enrolled under this Agreement, as specified in the Contract Summary which is hereby made an integral part of the Agreement. By enrolling for service with Tomorrow Energy, you agree to be bound by this Agreement and pay for the energy service Tomorrow Energy provides to you under this Agreement. The words "we," "us," and "our" refer to Tomorrow Energy, and the words "you" and "your" refer to the Customer. Please retain this Agreement and Contract Summary for your records.

Tomorrow Energy is licensed as a gas supplier under license number IR-3151

Service Term and Product Selection: Depending on which plan you have selected, your service under this Agreement is provided under either a fixed-rate ("term") product or a variable-rate ("month-to-month") product. Unless otherwise agreed to in writing or other form as authorized by PSC, your rate and minimum term will be disclosed to you in your Contract Summary, along with any applicable monthly recurring fees. This Agreement does not cover charges from your Local Distribution Utility.

If you are a new customer, the product selected at time of enrollment will become effective on the day your service begins with Tomorrow Energy, which coincides with the date your meter is read by your LDU. Because this date is determined by your LDU, Tomorrow Energy is not able to commit to a specific date for the commencement of service. If you are currently a Tomorrow Energy customer and are switching to another product, your selected product will become effective on the next meter read date after the request to switch to the new plan.

Term Products shall commence for a term as specified in the Contract Summary. A contract-expiration notice will be sent to you at least thirty (30) days prior to the end of your contract term. If you fail to take action to ensure the continued receipt of retail energy service upon the contract's expiration, you will automatically continue to be served by Tomorrow Energy pursuant to a variable-rate product on a month-to-month basis unless you select another product or retail energy supplier. You always have the option to choose another plan should this occur. Month-to-month products shall commence for a one (1) month term and thereafter rates are subject to change at the sole discretion of Tomorrow Energy. This Agreement shall automatically renew for successive one (1) month periods unless either party notifies the other party of its desire not to renew, at least thirty (30) days prior to the next meter read date. To access your next rate contact Tomorrow Energy by telephone at (888) 682-8082 or visit www.TomorrowEnergy.com.

Customer understands and acknowledges that Product selection at enrollment is subject to Tomorrow Energy approval, based on the premise type and/or service class that was previously assigned to Customer's account by Customer's LDU. If the information received from the LDU does not match the requested Tomorrow Energy product, Customer agrees that Tomorrow Energy may switch the product type to match information received from the LDU, if such a product is currently offered by Tomorrow

Energy. Customer understands that if the product is changed to one which matches the correct premise/service class type, rates may vary. You will receive written notice of the product's terms and will have the ability to exercise your right of rescission as described below.

Price: Your price is as set forth in the Contract Summary.

Cancellation and Switching Procedures: Customer or Tomorrow Energy may cancel an Agreement, for reasons other than non-payment, at any time. Customer may effect such cancellation by telephone at (888) 682-8082 or in writing at 3151 Briarpark Dr. Suite 100 Houston, TX 77042 to the other party at least thirty (30) days prior to the intended date of termination. If Customer enrolled under a term product, you agree to remain a Customer of Tomorrow Energy until the term expires or you will be subject to an early termination fee of \$75. When you cancel services, you agree to pay for the services provided by Tomorrow Energy through the date you are switched to another provider or returned to the LDU for service. Your cancellation will not be effective until the next regularly scheduled meter-reading date following the date on which Tomorrow Energy gives the LDU notice of your cancellation request. No cancellation fees apply to month-to-month Agreements.

Tomorrow Energy and/or your LDU reserves the right to cancel this Agreement (i) if your LDU is unable to read your meter for three (3) consecutive months; (ii) if at any time you request separate bills from your LDU and Tomorrow Energy; or (iii) if the LDU removes you from their consolidated billing program and requires that Tomorrow Energy bill you separately for your energy supply. If this occurs, we will notify both you and your LDU of the cancellation of this Agreement at least thirty (30) days prior to the effective date of cancellation. It may take up to sixty (60) days for Customer's account(s) to be returned to the LDU depending on the LDU cancellation procedures.

Customer may cancel this Agreement without penalty by telephone at (888) 682-8082 or in writing at 3115 Briarpark Dr. Suite 100 Houston, TX 77042, if you move to another service location and provide evidence that you are moving, along with a forwarding address.

Billing and Payment: Your LDU will continue to issue you a monthly bill and the bill will include Tomorrow Energy supply charges, as well as applicable LDU charges, surcharges, state and local taxes, and any other charges incurred in accordance with this Agreement. Customer acknowledges that Customer billing and payment information may be provided to Tomorrow Energy. Bills will continue to be based on actual or estimated meter readings. Customer will make payment directly to the LDU in accordance with the payment terms stated in the LDU's tariffs, unless otherwise provided herein. Customer will pay each monthly bill in full within twenty (20) days of the invoice date or be subject to a late payment charge of 1.5% per month, if applicable. In the event of failure to remit payment when due, Tomorrow Energy will have the right to terminate commodity service and to seek suspension of distribution service. understandings and representations by and between the parties with respect to the matters addressed herein are superseded by this Agreement.

In the case of (b), (c) or (d), any such assignee shall agree in writing to be bound by the terms and conditions hereof. You will receive notice thirty (30) days before any assignment by Tomorrow Energy to a new supplier. Upon any such assignment, Customer agrees that Tomorrow Energy shall have no further obligations hereunder.
